Annual Index

Subject and Title Index

A

Accuracy of roentgenographic examination in the differential diagnosis of gastric ulcer 353
Analeptic treatment of coma 103
Arthropod-borne virus survey on the island of Oahu, Hawaii 364
Asthma, therapeutic aspects of, emphasizing the role and control of the cough 23

B

Book Reviews 50, 125, 207, 302, 384, 477
Bureau of Medical Economics 202, 293, 383, 475

C

Cancer and viruses, a review 267
Carcinoma of the lip, the cross-lip flap in the management of 369
Coma, analeptic treatment of 103
Correspondence 168
Cough, emphasizing the role and control of in the therapeutic aspects of asthma 23
County Society News 53, 127, 210, 299, 386, 479

D

Detection of latent diabetes mellitus in chronic disease hospital 273
Diabetes mellitus, detection of latent, in chronic disease hospital 273

E

Early hypernephroma revealed by trauma 466
Editorials
- Brick and mortar planning 470
- Cardiovascular study 292
- Children's Hospital—milestone or millstone 378
- Crazy Man 200
- Erratum atque apologium 471
- Fluorides in aerospace medicine 121
